Just had a nice conversation with Justin just him and me.
I explained to him a few things
And my conversations with Leslie
He's like don't help her. I'm like I'm not helping her. I'm telling her what we're not doing and she needs to also not do anything and my last conversation with her was last Wednesday or so

And then I couldn't help myself

And I'm just going to step out of line before I go to bed and tell you Jen is amazing. She's so loyal she loves you so much and you have to go with her and he was like oh my God of course course I'm going with her.

Don't kill me, okay bye
